Board of Health
Meeting Minutes
July 22, 1993

Present: Ellen Foberg, Leonard Laffond, Melissa Quinn
Absent: James O'Brien (vacation)

The meeting was called to order at 2:02 P.M. Also present was J.P. Migeon, EMT Coordinator.

Mr. Migeon reported that he and EMT Gail May would be happy to offer blood pressure screening for town residents each Tuesday morning from 10:00 A.M. to noon, beginning August 3 and continuing until August 31. These sessions will be offered in the Town Hall, and a notice will be placed in the *Goal Post* informing residents of this service. It was voted on July 13th to offer the EMTs $25.00 for each session, however Mr. Migeon and Mrs. May both wish to decline any compensation for their time and effort.

Mr. Migeon noted that former EMT Alexis Franzoso has not returned her key to the Rowe Fire Station, and Mrs. Quinn was directed to send a note to Mrs. Franzoso asking that she return the key.

It was noted that an inspection report was received July 20th from the Massachusetts Department of Public Health for an inspection conducted on June 29 at the Rowe Camp and Conference Center. Chairman Foberg received approval from the DPH to add her cover letter to the report and send everything to the Rowe Camp & Conference Center via certified mail. (Mailed July 20)

The Chairman received a request from Phyllis Latawiec (Camp Manager) asking if items with an asterisk are corrected, the Board of Health could issue a "provisional" license to operate. After consulting with Charles Rudnick of the DPH, the Chairman informed Ms. Latawiec that no such "provisional" license could be issued.

Chairman Foberg received a call from Richard Howe (Newell Cross Road) asking if he could rent his house prior to the installation a new septic system. (His existing system has failed.) He was told that he must install the new system before renting the house, and was advised to contact his engineer to expedite the matter.

The meeting adjourned at 3:05 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
