Board of Health
Meeting Minutes
August 24, 1993

Present: Ellen Foberg, James O'Brien, Melissa Quinn
Absent: Leonard Laffond

The meeting was called to order at 8:05 P.M.

It was noted that water sample test results were received for water samples taken at Pelham Lake in July in front of lake-side cabins. All tests results were well within allowable parameters. Copies will be given to the Park Commissioners. (see file)

A copy of a re-inspection report for the Rowe Camp/Conference Center was received from the Department of Public Health. (see file)

Plans for the "tight tank" at the Frank McKay property on Pond Road were received from Katherine Bridges, as well as the pump log for the same system. (see file)

It was noted that Mr. O'Brien and John Brickett made a final inspection at the Richard Howe property on Newell Cross Road of a replacement septic system on August 11, 1993.

A well log was received for a new well drilled on the property of David Wayne on Dell Road. (see file)

A copy of a site plan approval was received for Yankee Atomic Electric Company for lead/copper materials. (see file)

The Chairman reviewed results of a percolation test performed in 1986 on property owned by the Laura Brautigam. It was determined that these results are still valid. (Gerald and Dianne Bunting {663-8389}, prospective buyers, had requested this determination prior to making an offer on the land.)

A notice of non-compliance was received from DEP regarding the Rowe Transfer Station. The Chairman will study this notification to determine what needs to be done to fulfill requirements specified therein. It was noted that the Town has 120 days to meet the filing deadline.

Mr. O'Brien noted that he had attended a meeting of the Franklin County Solid Waste Management District Committee. It was reported that Rowe has failed to return a questionnaire relative to the transfer station. Mrs. Quinn will call the FCSWMD office to obtain a copy of the questionnaire.

The meeting adjourned at 8:40 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
