Board of Health
Meeting Minutes
January 25, 1994

Present: Ellen Foberg, Leonard Laffond, James O'Brien and Melissa Quinn

The meeting was called to order at 8:45 p.m.

There was a unanimous vote to issue 1994 Septic System Installers permits to Thomas P. Danek of Cross Road and James Williams of Middletown Hill. Permit fees of $25.00 were received from both individuals.

Chairman Foberg will contact our Health Agent, John Brickett to request him to assist the Board in an inspection of the Maple House bed & breakfast on Middletown Hill Road. It appears from an advertisement for the establishment (see attached), that they are serving potentially-hazardous foods (eggs, quiche) for breakfasts, and that they may in fact have four rooms for rent. They had been informed previously that if they served any potentially-hazardous foods and/or rented out more than three rooms, Commonwealth of Massachusetts Food Establishment Regulations require them to obtain a permit from the local Board of Health. An inspection will be performed to ascertain the status.

Per a request from Fire Chief Ed May, school nurse Ellie Silva has agreed to administer the Hepatitis B vaccine series to the town's public safety personnel (fire & police). [EMS personnel have already been vaccinated.] Chief May wholeheartedly agreed with the Selectmen that Mrs. Silva be paid a stipend from his budget for her services. The series will be given on three different Saturdays at the Fire Station.

The meeting was adjourned at 9:00 p.m.

Respectfully submitted,
Ellen L. Foberg
