Board of Health
Meeting Minutes
May 17, 1994

Present: Leonard Laffond, James O'Brien, Melissa Quinn, Doug Wilson (Director, Rowe Camp/Conference Center), Tim Dalton (Trustee, Rowe Camp/Conference Center).
Absent: Ellen Foberg

The meeting was called to order at 7:11 P.M.

Mr. Wilson and Mr. Dalton presented the Board with plans for extensive reconstruction of the Brook House, including a new roof. They were informed by the building inspector that they must obtain approval from the Board of Health regarding the suitability of the septic system prior to the issuance of a building permit. Architectural plans for the refurbished Brook House call for five bedrooms. When asked what the intended usage is for the building, Mr. Wilson stated that it is intended for staff housing only. The disposal works construction permit for the property dated 1971 was reviewed. The question was taken under advisement to afford the Board an opportunity to study the matter and consult with Health Agent John Brickett as well as the Department of Public Health.

The meeting adjourned at 7:35 P.M.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
