Board of Health
Meeting Minutes
November 29, 1994

Present: Ellen Foberg, Leonard Laffond, Melissa Quinn

The meeting was called to order at 8:25 PM.

Becky Bradley was also present. She asked if the Board could set a date for an inspection of her kitchen facilities at her B&B on Middletown Hill Road. Proposed changes to the minimum standards for swimming pools were received from the Department of Public Health. A copy will be sent to the Park Commissioners and the original will be kept on file.

The Board received a yearly operational plan for 1995 from New England Electric Systems Company for right-of-way spraying. (see file)

A rabies newsletter was received from the Massachusetts Department of Public Health. It will be sent to School Nurse Ellie Silva.

A notice was received from the Massachusetts Department of Environmental Protection, Division of Water Supply relative to the public water supply assessment rate. The rates for 1995 will be based on information supplied for 1992 usage. Ms. Quinn was directed to notify DEP that a water meter has been installed for the public water supply at the town hall.

Chairman Foberg, Mr. Laffond and John Brickett, Health Agent/Sanitarian will attend a Title V workshop on January 12 in Belchertown. Ms. Quinn was directed to make reservations.

The meeting adjourned at 10:15 PM.
