*\*When in joint session with the Board of Selectmen*

**Call to Order:** The meeting was called to order by Chair Zavotka at 6:30 P.M., a quorum of the committee present.

**Insurance Committee:** The Board of Selectmen will be appointing a special committee to research and review the insurance and benefits of the town's employees. They have requested the Finance Committee recommend someone to be appointed. It was mentioned that Mr. McLatchy may not be a suitable member, as his sister has already agreed to be on the committee. He was more than willing to not be appointed, as he is looking to avoid even the appearance of a conflict of interest. Selectman Sokol sent Chair Zavotka an email and suggested that perhaps he not be appointed either, as his son-in-law works for the park. A motion was made by Chair Zavotka and seconded by Mr. McLatchy to recommend Ms. Dionne be appointed to the committee. Mr. McLatchy supported Ms. Dionne's appointment, but wanted to make sure she would be open to all options. Ms. Dionne said she would go into this without any agenda. The vote was 2-0-1 in favor, with Ms. Dionne abstaining.

**Free Cash:** Selectman Morse asked the Finance Committee in an email to come to the Board of Selectmen with a recommendation for the unused free cash from this year's budget. Approximately \$135,000-\$140,000 will be left over after special projects and balancing the budget. Chair Zavotka suggested leaving it where it is, and let it roll over into next year's budget. It would be untouchable from approximately July to October, but would then be included in next year's free cash. Ms. Dionne said this was not a bad idea. Mr. McLatchy said he would rather the money go into stabilization, so that the town can start rebuilding its savings, which have been reduced by almost \$700,000 in the last ten years. He also felt that it could "artificially inflate" next year's free cash and give an incorrect financial picture. No decision was made, as the committee felt it would be better to talk to the Selectmen first.

**Joint Meeting:** The committee moved to the next room to join the Board of Selectmen at 6:58.

**School Agreements:** School Committee Chair Susie Zavotka informed the two boards that both the Rowe and Mohawk School Committees have voted to approve the new tuition agreement pending approval from all nine towns to change the regional agreement. Chair Zavotka made a motion to have the Finance Committee support the two documents produced by the School Committee and have them sent out with the town meeting warrant. The motion was seconded by Ms. Dionne, and the vote was 3-0-0 in favor.

**County Road Parcels:** There are four adjoining plots for sale on County Road for \$45,000. They are buildable lots, but the town does not plow this section of the road during the winter and remains closed. If the lots were sold and a home built, the town would have to begin plowing. Highway Superintendent Lance Larned estimated it could cost around \$500,000 to make the road wide enough to plow during the winter. Chair Morse suggested

that the town consider purchasing the plots, as it would be far cheaper in the long run. As there were too many other factors in what it would mean to purchase the land, it was agreed that more research would be needed.

**Warrant/Split:** The two boards briefly reviewed the Annual Town Meeting (ATM) warrant. It was requested by Mr. McLatchy that the Finance Committee meet separately when making its recommendations on the warrant, to ensure independent recommendations. It was agreed, and the committee moved to the next room at 7:32.

Mr. McLatchy made the argument that the timing of Old Home Day made it difficult to plan finances, as the new fiscal year falls right before Old Home Day. A motion was made by Chair Zavotka and seconded by Ms. Dionne to recommend the new article. The vote was 3-0-0 in favor.
