Dear Ellen;

As you know, there is a 21 day waiting period before our special permit as a Bed and Breakfast Establishment is final. After that, I must register us at the County Court House.

When we know that all is final, we plan to up-grade our kitchen to accomodate the additional guests. These renovations will include:

* linoleum floor installed over existing wood floor in food preparation area
* new countertops
* new drawer fronts and rollers
* sand and polyeurethane wood floors in dining areas.

These rennovations are scheduled with various craftsmen for January 1995.

We will be ready for inspection for issuance of food handlers permit sometime in January and will contact you to set a date for you and John Brickett to inspect.

We currently have only a couple rooms booked for Friday, December 9 and have no other reservations until February 3, 1995. We will be away from December 15 through January 3 and trying to cram the renovations and inspection in before we go feels too stressful.

I hope this request meets with your approval and we have not caused any extra work for you.

Sincerely,

Rebecca P. Bradley
