The meeting was called to order at 7:25 PM.

The site suitability report was received from Mark Schleeweis, Section Chief, DEP, Division of Solid Waste Management, for the Rowe transfer station. The letter stated that "the Department hereby issues a Positive Determination of Suitability for the Town of Rowe Zoar Road site"... and ..."authorizes the Rowe Board of Health to proceed with a public hearing pursuant to 310 CMR 16.20 for the purpose of deciding whether or not to grant a site assignment for the parcel of property which is the subject of this Report." (See file for complete report.) Ms. Quinn was directed to compose a thank you letter to send to County Engineer Bill Allen for all his work in preparing the site assignment application.

The Board received a Hepatitis B vaccination report from the Department of Public Health. A copy will be sent to School Nurse Ellie Silva.

Kurt Boisjolie, Section Chief, Division of Water Supply, DEP, sent the Board a copy of a Sanitary Survey Report for Rowe Camp & Conference Center, as well as a letter regarding the Camp water system registration and conditional approval. (See file for complete text.) The Board noted that two of the Camp & Conference Center's wells were omitted from the report. Ms. Quinn was directed to send a letter to Mr. Boisjolie thanking him for the report, and informing him that there are two additional wells which serve staff housing at the Brook House and the Fromson House.
