Meeting Minutes
January 24, 1995

Present: Ellen Foberg, Leonard Laffond, Melissa Quinn

The meeting was called to order at 7:30 PM

A duly advertised public hearing was conducted by the Rowe Board of Health on Tuesday, January 24, 1995 at 7:30 PM in the Rowe Town Hall, pursuant to MGL Chapter 111, Section 150A and 150A 1/2, to decide whether to grant a site assignment for the existing Rowe Transfer Station on Zoar Road. Notices of this public hearing were published in the Greenfield Recorder on January 6, 9 and 10, 1995. There were no adverse comments whatsoever, and a motion was made to grant a site assignment for the existing transfer station facility, DEP #94-253-004. The motion was seconded. There being no discussion, the vote was unanimous. County Engineer Bill Allen is assisting the Board in preparation of a permit application, which is the final step in complying with DEP requirements for an existing transfer station.

In receipt of a check for $25.00, it was moved, seconded and voted to grant a 1995 septic system installers license to James H. Williams, of Merrifield Farm, Rowe, Ma.

The meeting adjourned at 7:45 PM.
