Board of Health
Meeting Minutes
May 16. 1995

Present: Ellen Foberg, Jeffrey Taskey, Melissa Quinn
Absent: Leonard Laffond

The meeting was called to order at 7:04 PM.

It was the consensus to send a letter to Marion Smith notifying her that the Board of Health has received the septic system inspection report from Homestead, Inc. relative to her house on Hazelton Road. Upon inspection, it was determined that the system fails to protect public health and the environment as defined in 310 CMR 15.303. Ms. Smith is to be advised to contact the Board of Health to arrange a percolation test to determine a site for a replacement system on the property.

In receipt of a check for $25.00, it was voted unanimously to issue a septic system installers permit to Barkus Excavating of Readsboro, Vermont.

A report was received from Health Agent/Sanitarian John Brickett for an inspection conducted at the home of Becky Bradley d/b/a Maple House Bed & Breakfast on Middletown Hill Road. (see file) Mr. Brickett reported that everything appeared to be in order, and it was voted unanimously to grant Ms. Bradley a Food Establishment permit for the Bed & Breakfast operation.

A septic system inspection report was received for the Jean Claude VanItallie property on Davenport Road. The inspection was required by the Board of Health due to an significant change in the "footprint" of the dwelling. The system was approved. (see file)

Ms. Quinn was directed to contact EMT Coordinator J.P. Migeon to see if the EMT's would conduct the weekly blood pressure clinic through the summer months during school vacation.

School Nurse Ellie Silva has requested permission to purchase a larger size blood pressure cuff. She conducts the BP clinics during the school year, and she needs the larger cuff for adults. There was a consensus that this item could be paid for from the current Board of Health operations account. It will cost about $40.00.

The meeting adjourned at 7:35 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
