Board of Health
Meeting Minutes
June 27, 1995

Present: Ellen Foberg, Leonard Laffond, Jeffrey Taskey, Melissa Quinn

The meeting was called to order at 7:06 PM. Also present were Tim Dalton and Doug Wilson from Rowe Camp and Conference Center.

Mr. Dalton was seeking information relative to approval by the Board for installation of an alternative septic system (Clivus composting toilet) at the RCC Chapel on Zoar Road opposite the Rowe Town Hall. Several other questions were raised, such as requirements for a handwashing facility, separate facilities for men and women and handicapped access. Ms. Quinn was directed to contact DEP relative to approval of the Clivus system, as well as other questions.

The meeting recessed at 7:30 and reconvened at 8:47.

A letter was received from John Brickett relative to repairs to the septic system on the Brian & Deborah Alix property on Ford Hill Road. (see file)

It was voted unanimously to request a reserve fund transfer for the Sanitarian's account for $80.00.

It was noted that Chairman Foberg received a telephone complaint from Rebecca Bradley relative to a camp on the John and Nancy Williams property (MIddletown Hill Road) being used for the summer without being inspected. It was the consensus that this was a frivolous complaint and no action was required.

Chairman Foberg noted that RCC Director Phyllis Latawiec called her and stated that they are not adding bedrooms to the Brook House on Kings Highway. They intend to leave it at four bedrooms, with a maximum of eight persons.

The Board and Health Agent John Brickett will conduct an inspection of RCC (for recreation camp for children permit) on Friday, July 7, 1995 at 10:00 AM.

The meeting adjourned at 9:40 PM.
Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
