Board of Health
Meeting Minutes
July 11, 1995

Present: Ellen Foberg, Jeffrey Taskey, Melissa Quinn Absent: Leonard Laffond

The meeting was called to order at 7:30 PM.

Ms. Quinn reported that she had contacted DEP relative to the proposed installation of a Clivus composting toilet at the Camp & Conference Center chapel on Zoar Road. It was the consensus to ask the camp director to come to the next meeting to discuss this project.

The was a discussion pertaining to the use of the Town transfer station by the Camp & Conference Center. Ms. Quinn reported that Commercial Disposal Company had expressed a willingness to provide solid waste disposal service to the RCC. Ms. Quinn was directed to send a letter to the camp director informing him of this, and asking that the Camp contact Commercial Disposal to make private arrangements for their solid waste disposal by September 1, 1995.

There will be a percolation test conducted on August 18, 1995, at 10:00 AM at the home of David Scrivens on Newell Cross Road.

Well drillers' certificates were received from Lynde Well Drillers for file.

A FAX was received from DEP regarding changes to Title V, relative to soil evaluators. (See file)

A septic system inspection report was received for the James Quinn property on Middletwon Hill Road from Homestead, Inc. The system was deemed as failed due to the presence of a metal septic tank, which must be replaced.

A copy of a letter was received from RCC wherein DEP gave provisional approval for their public water supply. (See file)

Water test results were received from Berkshire Enviro-Labs for Pelham Lake Park beach, the pitcher pump, town hall and Avery fountain. All test results were within required parameters.

The meeting adjourned at 8:30 PM.

Respectfully submitted,
Melissa S. Quinn
