Board of Health
Meeting Minutes
July 25, 1995

Present: Leonard Laffond, Jeffrey Taskey, Melissa Quinn
Absent: Ellen Foberg

The meeting was called to order at 7:30 PM.

Doug Wilson and Tim Dalton came in to discuss their proposal to install a Clivus composting toilet in the chapel across from the Town Hall. It was explained that the Clivus systems are approved by DEP as alternative systems under the new Title V. They must file a permit application as with a regular system. They were advised to contact the Building Inspector and Plumbing Inspector regarding construction requirements.

Doug noted that he wished to discuss a letter from the Board regarding solid waste disposal for the Camp & Conference Center. (see attached) The Board felt any discussion should be postponed to a meeting when the Chairman was also present.

The meeting adjourned at 8:00 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
