Board of Health
Meeting Minutes
August 8, 1995

Present: Leonard Laffond, Jeffrey Taskey, Melissa Quinn
Absent: Ellen Foberg

The meeting was called to order at 7:40 PM.

Mr. Laffond signed a contract with Richard Jenkins for hauling and disposal of white goods, tires and scrap metal for FY 1996.

There was a discussion of the decision to disallow the Rowe Camp & Conference Center use of the Rowe transfer station as of September 1, 1995. At that time the RC&C will be required to make private arrangements for the hauling and disposal of its own solid waste materials and recyclables. It was the unanimous consensus of the Board to send a letter to Doug Wilson and Prue Berry (Co-Directors) re-confirming their decision.

The new Municipal Recycling Facility (MRF) contract was received. The Board will require some time to study the contract, and will re-address the matter at the meeting on August 22.

The meeting adjourned at 7:55 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
