Board of Health
Meeting Minutes
October 3, 1995

Present: Ellen Foberg, Leonard Laffond, Jeffrey Taskey, Melissa Quinn

The meeting was called to order at 9:30 PM.

It was noted that that Leonard Laffond and John Brickett, RS, had inspected the installation of two new tanks at the James Quinn property on Middletown Hill Road. One tank is 1000 gallons and the second is 1500 gallons. Everything was in order, and John Brickett took pictures which will be included in the file upon receipt.

Board members Laffond and Taskey attended a septic system inspection conducted by Mike Beausoliel at the Brochu camp off of Davis Mine Road on 10/03/95. The system failed the inspection and the report should be received in several days. It was noted that the camp appears to be in poor repair, and is not presently occupied. Building Inspector Bill Foster stated that the building would have to be brought up to code before it could be occupied.

The meeting adjourned at 9:55.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
