Board of Health
November 28, 1995
Meeting Minutes

Present: Ellen Foberg, Leonard Laffond, Jeffrey Taskey (came late due to another commitment), Melissa Quinn

The meeting was called to order at 9:45 PM.

A well log was received from Cushing Well Drillers for a new well drilled for Richard & Ruth Truesdell on Tunnel Road. (See file.)

A check for $50.00 was received from A-1 Environmental Services (C.J. D. Grey, Inc.) for septage haulers licenses for 1995 and 1996. The check was unsigned and will be returned for a signature.

A check for $25.00 was received from Houghton Sanitary Service for a septage haulers license for 1996. Action will be taken on both these licenses at the next regular meeting.

A copy of the inspection report was received for the Richard & Jacqueline Howe property on Newell Cross Road from Kathy Bridges. The system passed the inspection. (See file.)

It was moved, seconded and voted to renew the contract for the semi-annual pick-up and disposal of bio-hazardous waste with Stericycle of Middletown, Connecticut, effective November 7, 1995 for a period of 24 months.

A letter was received notifying the Board of a sanitary survey of the public water system at the Yankee Atomic Electric Company facility in Rowe on December 13, 1995.

Another letter was received from the Department of Public Health relative to a cancer research project involving Deerfield River Valley towns. This project was prompted by lobbying efforts by CAN (?) in an attempt to discredit nuclear generating plants in general and Yankee Rowe specifically.

The latest Title V revisions were received for file from DEP.

A communicable disease update was received from the Massachusetts Department of Public Health relative to human deaths from rabies. (See file.)

It was reported that a Title V inspection conducted at the Alice Willey property on Potter Road on November 17 and 18, failed due to a water-logged leach field.

The meeting adjourned at 10:55 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
