Board of Health
December 12, 1995
Meeting Minutes

Present: Ellen Foberg, Lenny Laffond, Jeffrey Taskey, Melissa Quinn

The meeting was called to order at 8:00 PM.

Upon receipt of check for $50, it was voted unanimously to grant a 1995 license (expires 12/31/95)and a 1996 license (expires 12/31/96) for septage pumping/hauling to A-1 Environmental Services of Bernardston, MA. In receipt of a check for $25.00 it was voted unanimously to grant a 1996 license (expires 12/31/96) for septage pumping/hauling to Houghton Sanitary Service of Guilford, Vermont.

A Title V septic system inspection report was received from Homestead, Inc. for the Alice Willey property on Potter Road. The system failed inspection due to a water-logged leach field. A new percolation test is required prior to design and installation of a new system. (See file.)

Jeff reported that he inspected the installation of the leach field at the Karl Jurentkuff property on Newell Cross Road on December 8, 1995. There was no advance notice of this inspection, and Jeff was the only one able to attend. Tom Danek wanted to cover the leach area before a predicted snow storm. Jeff took pictures and said that everything looked to be installed as per design.

The meeting adjourned at 8:30 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant

Approved:

Ellen L. Foberg, Chairman

Leonard J. Laffond

Jeffrey A. Taskey
