Board of Health
March 5, 1996
Meeting Minutes

Present: Ellen Foberg, Leonard Laffond, Jeffrey Taskey, Melissa Quinn

The meeting was called to order at 7:55 PM.

Jeff reported that a Title V septic system inspection was conducted at the property of Rev. James Archambault on Ford Hill Road on March 4, 1996. Realtor Dick Dills made the arrangements for the inspection and failed or neglected to notify the Board until the inspection was under way. Chairman Foberg was at work, Lenny was out of town, and Jeff was caring for his children. Ellen and Jeff decided to accommodate the very last minute request, largely because the system is only a few years old and was believed to be up to code, although Jeff had to attend by himself. Jeff observed the inspection, everything appeared to be fine. The attached letter was drafted to send to Realtor Dills.

In receipt of a check for $25.00, the Board voted to grant a 1996 septic system installers license to Danek Excavating of Cross Road, Rowe.

A letter was received from Inspector Mike Lavigne regarding the septic system upgrade done at the Jurentkuff property on Newell cross Road (Map 1, Lot 50). The final inspection was conducted and everything was in order. (See file.)

A medical waste tracking form was received from Steri-Cycle, Inc. for Rowe's last pick-up of medical waste. (See file.)

The meeting adjourned at 8:22 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
