Board of Health
Meeting Minutes
April 2, 1996

Present: Ellen Foberg, Leonard Laffond, Jeffrey Taskey, Melissa Quinn

The meeting was called to order at 8:25 PM.

It was noted that it was time to schedule an inspection of the Maple House Bed & Breakfast. Ms. Quinn was directed to contact John Brickett to arrange a time to conduct the inspection.

A letter was received from the Department of Environmental Protection regarding the water sample testing schedule for the Avery Fountain. DEP now requires monthly testing for bacteria instead of the quarterly testing formerly required. Arrangements have been made with Berkshire Enviro-Labs for the monthly tests.

Information on an HIV hotline was received and posted.

A Tier I report was received from Yankee Atomic Electric Company in compliance with SARA Title III requirements. (See file.)

A notice was received from DEP which stated that Rowe's MRF recycling rate for 1995 was 24%. (If the rate is 30% or higher, the education fee is waived.) Rowe's share of the education fee is $18.90. It was voted to allow DEP to deduct the education fee from the revenue due to Rowe, which is approximately $800.00

The meeting adjourned at 9:00 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
