Board of Health
Meeting Minutes
June 11, 1996

Present: Ellen Foberg, Leonard Laffond, Jeffrey Taskey, Melissa Quinn

The meeting was called to order at 8:30 PM.

An unsuccessful percolation test was observed by Mr. Laffond and Mr. Taskey on May 31, 1996 at the property of Richard Gary on Cyrus Stage Road (Map 11, Lot 48).

Mr. Taskey asked about the status of the septic system on the Wiley property on Potter Road (Map 11, Lot 1). Chairman Foberg noted that the system failed a Title V inspection and would have to be replaced. An out of season percolation test is permissible for a failed system.

A complaint was received from a resident regarding a visitor or staff member from Rowe Camp and Conference Center urinating in public on the front lawn of the chapel on Zoar Road on Sunday morning June 9th. The Board will bring the matter up during the upcoming inspection at the camp.

The meeting adjourned at 9:15 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
