Board of Health
Meeting Minutes
July 9, 1996

Present: Ellen Foberg, Jeffrey Taskey, Melissa Quinn
Absent: Leonard Laffond

The meeting was called to order at 7:37 PM.

In receipt of a check for $25.00 from Barkus Excavating of Readsboro, VT, it was voted to grant a permit to install subsurface septic systems in Rowe, effective immediately. The permit will expire December 31, 1996.

There will be Title V septic system inspections (for the sale of property) at the following:

Arthur Brochu, Hazelton Road (Map 1, Lot 47)	July 10, 1996 @ 9 AM
Debbie & Brian Alix, Ford Hill Road (Map 2, Lot 60)	July 23, 1996 @ 9 AM

Chairman Foberg reported that she had received a call from Mr. Graziano (Pond Road, Map 2, Lot 60) regarding the status of the septic system on his property. After checking the records (see memo dated October 95), she determined that they need to drill a new well (at least 100 feet from the septic system), install a new tank and a new leach field. The space is limited due to the small lot and they may have to acquire additional land. A letter was drafted to send to the Grazianos. (See attached.)

The meeting adjourned at 7:49 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
