Board of Health
Meeting Minutes
July 23, 1996

Present: Ellen Foberg, Leonard Laffond, Melissa Quinn
Absent: Jeffrey Taskey

The meeting was called to order at 8:55 PM.

A 7 page inspection report was received from Howard Wensley of the Department of Public Health for the inspection conducted at the Rowe Camp & Conference Center by the Board of Health and Charlie Rudnick (MDPH) on June 21. The Board drafted an order of corrections to be sent to the Camp with a copy of the DPH report of violations. A re-inspection was scheduled for August 16, 1996.

Water sample test results were received from Berkshire EnviroLabs for the Town Hall, Avery Fountain, Rowe Beach pitcher pump and the Rowe School. All results were satisfactory.

Title V septic system inspections were conducted at the following:

Art Brochu, Hazelton Road	(July 10)	Passed
Brian Alix, Ford Hill Road	(July 23)	Failed

In response to a letter from Dave Wickles Trucking seeking a contract for hauling the recycling bin, it was the noted that the Town is already under contract with Commercial Disposal.

Camper injury reports were received from the Rowe camp and Conference Center. (See file.)

The meeting adjourned at 9:40 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
