Board of Health
Meeting Minutes
August 20, 1996

Present: Ellen Foberg, Leonard Laffond, Jeffrey Taskey

The meeting was called to order at 7:07 PM.

Felicity Pickett, Rowe Camp & Conference Center camp manager asked the Board to look into using the Fromson House well for the Brook House also. Ellen will contact Town Counsel Craig Barry for his opinion.

A percolation test is scheduled at the Brian Alix house on Ford Hill Road on Wednesday, August 21. Mike Lavigne is the engineer and Jim Williams will do the excavating.

There is a question relative to whether a Title V septic system inspection took place at the Buster Reed property on Hazelton Road. It was scheduled for August 20 at 9:00 AM but no member of the Board of Health was present. A new resident wants to assume the mortgage, but it is not clear of the status of the septic system.

Michael Phillips called during meeting to discuss a letter from Mr. Graziano asking about purchasing 1/2 acre from Mr. Phillips. The Grazianos would like to acquire this land so that they might locate a water source and a septic system on their property meeting the required setbacks.

The meeting adjourned at 8:15 PM.

Respectfully submitted,
