Board of Health
Meeting Minutes
February 14, 1997

Present: Ellen Foberg, Leonard Laffond, Melissa Quinn
Absent: Jeffrey Taskey

The meeting was called to order at 3:37 PM.

The Board received an application for a Food Establishment License for a mobile food cart. It was noted that the application was incomplete (there was no list of hand-washing and lavatory facilities attached), and Ms. Quinn was directed to return the application and the five dollar fee to the applicants.

A copy of Advance Data - Deaths for 1995 was received for file.

A letter will be sent to Peter Bickford relative to his concerns over the high water level of a beaver pond abutting his property on Ford Hill Road. He is worried that the high water level may endanger the proper functioning of his septic system. The Board would like to meet with him after the snow is gone and walk his property to ascertain where his well and septic system are located in relation to the water line.

The meeting adjourned at 4:00 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
