Board of Health
Meeting Minutes
April 1, 1997

Present: Ellen Foberg, Leonard Laffond, Jeffrey Taskey, Melissa Quinn

The meeting was called to order at 7:15 PM.

A resource guide was received for file from the Franklin County Solid Waste District Committee.

A copy of a letter from DEP, Division of Water Supply, was received regarding an inspection of the water supply scheduled for the Rowe School on May 9.

In receipt of a check for $25.00, the Board voted unanimously to grant a permit to install septic systems to Danek Excavating of Rowe.

A Title V septic system inspection will be conducted on April 16 at 9:00 AM at the Cloutier property on Newell Cross Road (Map 1, Lot 9).

Chairman Foberg noted that Jeff Bagley is seeking a building permit for his house on Newell Cross Road (Map 1, Lot 10). He wants to raise the roof and add a half story. The last inspection conducted at that location was by Kathy Bridges in November 1996. The Chairman advised Mr. Bagley to contact DEP regarding inspection requirements.

Chairman Foberg reported that she had received a call regarding the transfer station being closed on Easter, and the caller had asked if the transfer station could be open all the time with the card system, as it was several years ago. It was noted that state law requires an attendant whenever a transfer station is open. It was the consensus to put this notice in the Goal Post.

Contracts with Commercial Disposal Company (hauling) and Holyoke Sanitary Landfill (dumping) were renewed until June 30, 1998.

The meeting adjourned at 8:15 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
