Board of Health
Meeting Minutes
April 15, 1997

Present: Ellen Foberg, Leonard Laffond, Jeffrey Taskey, Melissa Quinn

The meeting was called to order at 8:20 PM.

Chairman Foberg noted that the Operation & Maintenance Manual for the Rowe Transfer Station has been updated, under the guidance of Bill Allen of the County Engineer's Department. It was noted that according to the manual, two fire extinguishers are supposed to be installed at the Transfer Station; one at the attendant's shed and one at the compactor. Ms. Quinn was directed to contact Fire Chief Ed May to arrange for purchase and installation of these fire extinguishers.

A request for approval to abandon a septic system at the powerhouse was received from New England Power Company. Ms. Foberg will look into the regulations to see what steps, if any, the Board of Health must take before acting on this request.

In correspondence the following were received for file:

- Health and Safety Guidelines for Indoor Play Areas
- Sample bio-degradable trash bags from Comprehensive Environmental Solutions
- Report on Prevention of Plague from the Center for Disease Control

The meeting adjourned at 8:45 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant

Approved:

Ellen L. Foberg

Ellen L. Foberg, Chairman
