Board of Health
Meeting Minutes
April 14, 1998

Present: Ellen Foberg, Leonard Laffond, James Brown, Melissa Quinn

The meeting was called to order at 7:20 PM.

In receipt of a check for $25.00, it was voted unanimously to grant a septic system installers license to Barkus Excavating of Readsboro, VT.

The Board received a letter from Phoebe Walker asking if the Board required summer coverage by the Regional Health Agent for any certain dates. It was the consensus that this was not necessary.

It was noted that a new provision in Chapter 21A, Section 13A of the MA General Laws requires that the local Board of Health provide a list of at least five approved septic system installers to property owners at the time of a Title V inspection. Such a list will be made available, although it was noted that the Town does not have five approved installers.

The meeting adjourned at 7:35 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
