Board of Health
June 23, 1998
Meeting Minutes

Present: Ellen Foberg, Leonard Laffond, James Brown, Melissa Quinn

It was reported that Health Agent Sharon White accompanied by Lenny and Jim observed a percolation test at the George Riggan property on Leshure Road (Map 11, Lot's 15 & 65) on June 4. Christopher Garland conducted the test. The rate was 40 minutes to the inch.

Rob Riggan came in with plans and an application for a repair to the septic system at the George Riggan property on Leshure Road. Plans were designed by engineer Christopher Garland. After examining the plans, the Board voted to approve the permit and local upgrade application as presented.

Percolation results and a soils evaluation report was received from Robert Leet (Whetstone Engineering) for the Sibley lot on Brittingham Hill Road conducted on May 29, 1998. (Map 8, Lot 2) The rate for the percolation test was 18 minutes to the inch.

The Board received a copy of the Yearly Operational Plan (for vegetation control) from Boston & Maine Railroad. (See file.)

The meeting adjourned at 8:41 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
