Board of Health
Meeting Minutes
September 1, 1998

Present: Ellen Foberg, Leonard Laffond, Melissa Quinn
Absent: James Brown

The meeting was called to order at 7:02 PM. Robin Reed was also present.

Robin brought an application for a repair to the septic system at her property at 77 Hazelton Road (Map 1, Lot 35). This repair is necessary due to a failed Title 5 inspection. A new 1500 gallon concrete tank was installed by Jim Williams and was inspected before covering by Lenny. Everything appeared to be in order and the application was approved.

The meeting adjourned at 7:10 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
