Board of Health
Meeting Minutes
August 17, 1999

Present: Ellen Foberg, Leonard Laffond, Mary Jo Phelps, Sandra Daviau
Absent: Melissa Quinn

The meeting was called to order at 8:30 PM.

Health Agent Sharon White accompanied by an intern from the Department of Environmental Protection conducted an inspection of the Rowe Camp & Conference Center on Friday, August 20, 1999.

Town Nurse Ruth Loomis submitted a draft policy for blood pressure screenings as well as an protocol for medical emergencies at Pelham Lake Park. Ellen will discuss these matters further with Mrs. Loomis.

Results of Title 5 inspections are as follows:

Jette	(Map 11, Lot 116)	08/12/99	Passed
O'Brien	(Map 08, Lot 30)	08/16/99	Pending Report
Corarito	(Map 04, Lot 26)	08/16/99	Failed*
Jurentkuff	(Map 01, Lot 50)	08/17/99	Passed Conditionally**
Harris/Donelson	(Map 11, Lot 93)	08/17/99	Passed

* Corarito inspection -- Distribution box filled with water and too close to well.
**Jurentkuff inspection -- needs new distribution box, seal seam and weep hole, less than 100 feet from well (must do water test) and remove garbage disposal.

In regard to the status of the non-compliant Gfroerer property (Map 13, Lot 20), Ms. White has mailed via certified mail a "Notice to Correct".

Because the Household Hazardous Waste Collection Day scheduled for this September 18 will not be conducted locally (it will be in Montague instead of Buckland), it was the consensus of the Board to decline participation until the spring of 2000.

Correspondence was read but required no action.

Respectfully submitted,
Sandra P. Daviau, Acting Administrative Assistant
