Board of Health
Meeting Minutes
January 4, 2000

Present: Ellen Foberg, Leonard Laffond, Mary Jo Phelps and Melissa Quinn

The meeting was called to order at 7:30 PM.

An application for a disposal works construction permit was received from Whetstone Engineering for a new multi-dwelling facility on the Shantigar property on Davenport Road. Ms. Quinn was directed to contact Whetstone Engineering and ask for additional sets of plans for the proposed system as well as plans for the structures. No determination can be made until more information is obtained. The Board may have their Health Agent Sharon White review the plans as well as the Planning Board and the Building Inspector.

Water test results were received from Berkshire Enviro-Labs for the Road School for June bacteria levels and VOC's. All results were within permissible limits.

The Board received a copy of a letter from Yankee Atomic Electric Company to DEP relative to a notice of non-compliance due to a mistake on a hauling manifest. (See minutes of December 21.)

In receipt of a check in the amount of $25.00, the Board voted to issue a pumper/hauler license to Houghton Sanitary Service of Guilford, VT for 2000.

A well drilling log was received from Lynde Well Drillers for a well on the Jette property on Old Cyrus Stage Road. (See file.)

The Board voted unanimously to grant an extension for the construction of a replacement septic system on the Carlow property on Ford Hill Road to July 31, 2000.

A system pumping report was received from Greg's Wastewater Removal of South Deerfield for the Donelson system on Potter Road. The tank is 1500 gallons and appeared to be in good condition.

The meeting adjourned at 8:30 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant

Approved:

Ellen L. Foberg, Chairman

Leonard J. Laffond
