Meeting Minutes
March 14, 2000

Present: Ellen Foberg. Leonard Laffond, Mary Jo Phelps and Melissa Quinn

The meeting was called to order at 7:05 PM.

Doug Corarito came in to inform the Board that James Williams would be the installer for the septic system repair at his home on Middletown Hill Road. Everything else being in order, the Board approved his permit application. Doug asked about dumping wastewater from his recreational vehicle into his residential system. Mr. Laffond recalled that Title 5 does not permit this. Ms. Quinn was instructed to contact Larry Golonka at DEP for additional information.

Doug noted that he is waiting for soil conditions to dry out before employing an engineer to do a design.

In receipt of a check for $25.00, a license to install septic systems was granted to Danek Excavating of Rowe, MA.

The meeting adjourned at 7:15 PM.
