Town of Rowe
Board of Health
Meeting Minutes
April 25, 2000

Present: Ellen L. Foberg, Leonard J. Laffond, Mary Jo Phelps and Melissa S. Quinn.

The meeting was called to order at 8:30 PM.

Two copies of the charter establishing the Shantigar Foundation as an educational entity were received from J.C. VanItallie. One copy will be given to the Planning Board for their file.

A septic system pumping log was received from Bostley Sanitary Service for the Todd Veber property (292 Zoar Road). Everything appeared to be in order. The system has a 1000 gallon concrete tank.

A letter was received from Dr. Robert Miller relative to his fees for overseeing the Town Nurse Practitioner for FY 2001. His fees have doubled to $1,000.00, and he now wants to retain the money. Previously he had charged $500.00, which he wanted to donate back to the Health Services program. It was noted that the Board had been informed of his intent to increase his fee, and is seeking an appropriation for this amount. Dr. Miller will be informed by letter.

The Board received the Nurse Practioner's third quarterly report for file.

A notice was received from the FRCOG Regional Health Director Phoebe Walker relative to free home safety assessments offered through a Healthy Homes Grant administered by the FRCOG. It was the consensus to participate in this program so that Rowe homeowners could take advantage of the free inspection services. This is for the participating homeowners information only and there will be no penalties if problems are discovered.

The meeting adjourned at 9:00 PM.

Melissa S. Quinn, Administrative Assistant
