Board of Health
Meeting Minutes
April 10, 2001

Present: Mary Jo Phelps, Ellen Foberg, Geoffrey Bagley & Melissa Quinn

The meeting was called to order at 9:45 PM.

Ms. Quinn was directed to send a letter to the James Daneker and the McKays reminding them that it is time to have their tight tanks pumped. An annual pumping is required by Title 5 regulations.

It was noted that the Taskey property in town has been sold, but to date no Title 5 inspection has been scheduled. There was a discussion relative to enforcement of Title 5 requirements for inspections at the time of sale, especially in a cash sale.

Chairman Phelps directed Ms. Quinn to put a discussion of a policy for issuing new septic system installers licenses on the agenda for the next meeting.

Building permit applications were reviewed to see if any required Board of Health approval. There were no applications requiring approval.

The meeting adjourned at 10:30 PM.

Respectfully submitted,
Melissa S. Quinn, Administrative Assistant
