Letter to Town Residents: Because of many rumors and inaccurate statements concerning the BOH circulating throughout town and printed in the West County News, Danette Reynolds suggested the Board address some of these inaccuracies with a letter to the town residents. Danette presented the BOH with a draft of a letter to be sent to town residents and requested any thoughts or input regarding the letter. No changes were made and the Board voted to accept the letter as is and to send it to the town residents.

Danette also read an email she had forwarded three times (March 5, 2006 and two times on March 6, 2006) to Board member Angela Foshay. The email informed Angela that Danette hoped to produce a document for the BOH to review to provide information to town residents correcting allegations and misinformation circulating about the town. Danette said she would like Angela's input on the document.

Letter to the Editor, *West County News*: In the February 9 – February 15, 2006 edition of the *West County News,* two inaccurate statements were printed about the BOH and its on-going investigation into apparent violations at a bed & breakfast in town. Danette Reynolds presented the Board with a draft of a letter to the newspaper's editor correcting these inaccuracies. The Board approved the letter and will send it to the editor of the *West County News*.

Next Meeting: The next meeting will be Wednesday, March 22, 2006 at 10:00 AM.

Adjournment: Meeting adjourned at 10:45 AM.

Respectfully submitted,
