TOWN OF ROWE
PARK COMMISSION
MINUTES OF MEETING
MAY 15, 2008

CALL TO ORDER: 6;33 p.m.
PRESENT: Commissioners Russ jolly, Henry Dandeneau, Earl Carlow; Ranger Sean Loomis
ABSENT: none
AUDIENCE: Maryjo Phelps and daughter Heidi Phelps, David Lenth, Rick Williams
MINUTES:

OLD BUSINESS:

- Discussed the Cowie map of the park and made minor changes to be sent back and re-done.
- Sean brought in job descriptions of the different jobs at the park. Russ added a concern that the most experienced personnel should be at the park when it is busiest—on the weekend
    - Commissioners voted to accept the life guard job description as amended.
    - Reviewing job descriptions Henry wanted to know what was the difference between Class 1 and Class 2 Rangers. Sean replied that it is experience. Henry thought that should be added to the job description to clarify who is in charge. Russ stated that no age was in the job descriptions for Class 1 and 2 Rangers and it should be added that they be over 18. Class 3 should be over 16 years and Class 4 over 14. Class s3 will be limited to certain power tools. Commissioners ask Sean to make the changes in the job descriptions and bring them to the next meeting to be reviewed and voted on.
- Earl requested that the senior picnics be posted in the Goal Post every month in the summer and that the Park Department ask for volunteers also. Also requested that Sean add a sign to the main sign at the front of the park to let people know when the lunches are happening.
- Twenty fish were caught by 27 children at the fishing derby.
- Four-wheeler (ATV) is not working and has been in the shop for four weeks—can't find the problem. Southside is working on it; has $300 worth of labor into the job.
- No word from Blue Sky yet on the locust.
- Sean noticed that the interior water level has gone down in the tight tank in the bathrooms which means there is possibly a crack in the tank. Sean was asked to get the tanks pumped and wash the inside of the tanks to see if a crack could be found.
- Reviewed Rules and Regulations of the Park. Latest published red book from 1970 and 1995 was the last review
    - Park hours have changed from 9 am til dusk to dawn to dusk.
    - No hunting or trapping changed to prohibit it in posted areas.
    - Made drinking of intoxicating liquor prohibited only in the beach area.
- Ran out of time and continued review of Rules and Regulations to next meeting.
