Ranger Report: Fire rings are done

Unanimously voted to have road crew cut through trunk of fallen pine tree, leaving it in place, and pull the root ball down in the spring.

Discussion of fish stocking and fishing derby scheduled for April 25, voted unanimously to switch to a lake-wide derby.

Easter-egg hunt scheduled for April 11 at beach

Sean to check out UMass keystone program - forestry management

Report on Tech school/ bathroom project:
Tech cannnot be the general contractor.
Cannot do architectural work.
No Concrete..
Would charge materials plus 15% of above grade work.
Distance could be an issue
Siding, roofing, etc, Tech would do a day or two, then turn it over to others.
Would want one school year to complete project.
Can do electrical and plumbing work.
Tech would supply materials list, we bring it to lumber yard, each time they get materials, the town gets billed.

Long discussion about tank failure, Sean to call Bostley.

Long discussion about steps of construction, Sean to call FRCOG.

Long discusssion about 4WD utility vehicles.

Adjourned 9:56 PM
