MINUTES – Rowe Planning Board

28 May 2009

Bylaw review meeting posted for 1:15 at Town Hall.

Present: J. Brown, R. Dykeman, A. Foshay, D. Roberson
Absent: E. Packard

The meeting was called to order at 1:37 p.m.

In the absence of the secretary, David Roberson agreed to take minutes of the meeting.

This being the first Planning Board meeting since the annual election, officers were elected. David Roberson was nominated and unanimously elected to serve as chairman. Ellynn Packard was nominated *in absentia* and unanimously elected to serve as secretary.

The final version of the Planning Board memo concerning the proposed wind energy siting legislation was distributed to Board members. It was reported that other communities may issue official statements as well.

Ellen Babcock's memo of May 13th concerning alleged errors in the "red" bylaw book and zoning map was briefly discussed. It was voted to consult with the attorney to get her opinion of the matter.

David Roberson proposed that he purchase portable file storage for Planning Board records in place of the milk crates currently utilized for that purpose. This was unanimously approved.

The remaining majority of the meeting was dedicated to discussion of the bylaw revisions. A number of changes were made throughout the document, and several areas identified where the advice of counsel will be sought.

The next meeting date was confirmed for the 4th of June.

Meeting adjourned at 3:19 p.m.

Respectfully submitted,

David Roberson
