Rowe Planning Board 9/10/09.

Rec'd 11-4-09

The meeting of Rowe Planning Board convened at 1 35 pm.
Present: David Roberson (Chr.), Angela Foshay, Robert Dykeman and Jo-Ann (Jodi) Brown.
Audience: Jack Williams, Cindy Lafford, Jack Packard, and Kris Swenson.
Chairman Roberson announced that Ellynn Packard has resigned her position.
He then motioned for Jodi Brown to be secretary at this time. This was seconded and moved, and accepted by Jodi.

The minutes of July 16, August 19, and August 28, 2009 were read. The minutes of July 16 and August 19th were amended, and accepted as amended.

Chr. Roberson stated we need money appropriated at the Special town meeting. It was agreed to pay the lawyer fee of $400.00. Editor, Lynne Rudie has Not been paid, and can't be until town meeting. Lynne has Notified us she will begin to keep an actual time sheet.

David also attended the recent Selectman's meeting where Ellynn Packard's memo regarding transfer of over-sight of Goal Post to be placed as an article on the town warrant was discussed. R.P.B's attorney questions if a town vote could legally remove the Goal Post publishing from board.

Anne opted for Ellen B. Miller as an editor apart, feeling this could centralize the whole issue.

However, Robert Dykeman then presented Kris Swenson

to the committee, as a volunteer proof-reader.
She has a twenty year history as a proof-reader, did a Company annual report for a Dr. Bowes, and enjoyed ~~enjoy~~ it. Agreed editor and proof-reader not synoymous, that issues of G.P. should not be political. If proof-reader position transpires, our committee would continue to oversee.
The other G.P. issue was the article sent by John Magnago regarding veterans plaque. David made motion that hence all submissions to G.P. be signed by member(s) of committee who submits them.
This motion was seconded and so moved.
Jack Williams called for point of order: that selectmen can't just hire - but need procedure (out to bid) to stay legal.
Jodi felt there is no stipend for volunteerism.
Chr. Roberson moved Kris proof-read the Goal Post and interface with Lynne regarding editorial content. Kris suggested editing, then on to board, then finally to Lynne. Motion passed three to one with opposition from Anne Foshay.
No present action regarding ads in G.P. was taken.
The Committee perused the zoning by-laws.
Section 9 was discussed with Bill Foster ~~by~~ David - discussion to occur with B.O. Health Anne feels tools available to delete. Dave will write
