Planning Board Minutes for the Meeting of May 10, 2017

The meeting was called to order at 7:18 p.m.

David Roberson, Chairman, Robin Reed, Jodi Brown, Dan Burke, and Doug Wilson, scribe, were all present. Also present was Rosie Gordon.

David recalled that Doug had passed out two copies of the minutes from the February 15 meeting, one for the Public Hearing and one for the regular Planning Board meeting that followed. David made some suggestions for changes in the February 15 meetings, including that the application was for short term rentals, not for an AirB&B. It was also noted that Deb Katz was acting as Jean Claude's representative. There were enough changes that the minutes would need to be retyped and brought to the next meeting.

The minutes for the February 15, 2017 regular business meeting were approved, as were the minutes of the February 22, 2017 meeting, after small changes were made and entered onto the minutes that were passes out.

The Town Clerk, Jenn Morse, was upset about the May Goal Post, which made an error in leaving out one voting result and putting another voting result in twice.

There was a motion to approve the minutes for the Public Hearing of February 15, 2017. The Minutes of the Public Hearing were accepted, with corrections, and they were passed around and signed. Where there were corrections, the members initialed at all the points that were changed and David made copies for everyone.

David reported that the Board of Selectmen had reduced our budget by $1100 and that our budget was now $100 below the 2001 budget.

It was decided to pass over the rest of the agenda items. The next meeting was scheduled for June 14, 2017, at 7 pm.

The meeting was adjourned at 8:30.
