The budget of the Planning Board was discussed. While we have stayed well within our budget, David favors our being able to have money in our budget if we need it. When the solar proposal was presented a couple of years back, we needed to have legal representation and to be able to pay for it, so the budget proposal should reflect this..

Robin proposed that we increase our budget by 2 1/2 per cent from $18,000 to $18, 450. This motion was passed unanimously.

Our next meeting was scheduled for February 28 at 7 pm.

There was a motion to adjourn at 8:25 that passed unanimously.
