General Business

MINUTES

April 26th, 2012 minutes approved and signed.

WARRANT (s)

Warrant #24 approved and signed.

Transfer Station

ATTENDANT'S LOGS

Dave read aloud the attendants logs; attendant Ted Palmer noted that shingles are coming off the compactor shed. Logs accepted and filed.

LIGHTING

Dave spoke to Green Committee Chair, Jack Packard, and was informed that the uniform lighting project the BOH was hoping to have funded by a portion of the Green Committee grant, was not approved by the state. The state suggested a survey be done to gauge usage. Dave did invite Jack to attend a BOH meeting in the future and Dave will speak with him again.

FCSWMD

January 18th district board meeting minutes and May 16th meeting agenda reviewed.

The board discussed the low tonnage rate for recyclables in Rowe; all board members agree that it would be difficult to enforce mandatory recycling upon residents who do not recycle.

Health Services

MONTHLY REPORT

Dave read aloud portions of the town nurse's monthly report; 113 client encounters for April.

DOPH

Department of Public Health follow-up notification letter concerning reported Lyme disease cases, was reviewed and turned over to the town nurse.

Permits

A *temporary food* permit was issued to Jennifer Morse for Mohawk Youth Baseball. Health Agent, Lisa Danek Burke inspected the premises on May 5th and found it to be in order.

Rowe Camp

The board reviewed the map/plans of the Camp's grounds and septic systems; they are satisfied that the map is complete and easy to evaluate. Paulette Roccio, Facility Manager, requested the board send confirmation that the map was received; a confirmation letter was signed and mailed.

Title V

CONSTRUCTION

Dave reported that he visited the properties of Carol Lively and Wayne Zevotka and found that their building projects are not near their septic systems.
