Here are the minutes:

Called to order: at 7:10. Present were Cyndie Stetson, Dawn Beaumont, Virginia Gary

2. Old Business: review of Garden Tour feedback and suggestions of ways to improve it, the community has reached out to members to share their positive feedback on the garden tour. One suggestion was to have it on its own day. People really enjoyed the different gardens and wanted more time to visit them. Virginia and Cyndie shared reports on the gardens and planters around town. Lots of watering and weeding was done.

3. New Business The members decided to get mums, pumpkins and gourds to decorate for the fall. They also decided to purchase several large planters for next year's spring planters. Each garden is being switched to a fall planter as the annuals fade.

4. Citizen Comments: None

5. Next Meeting will be on September 23, at 7:00 at Cyndie's house.

6. Adjournment- 7:50pm
