Beautification committee minutes- August 18, 2025

Members present: Cyndie Stetson and Virginia Gary
Citizen present: Karen Sovlecke

Old business:

- Watering regularly all planters in town, Cyndie purchased plastic self watering globes and showed the group how to use them, including use gauze at the end of the stem to prevent clogging.
- Lights are working and showing signs.
- Virginia needs to connect with Kevin, the town clerk, about being sworn in.

New business

- Virginia bought garden supplies: 3 metal trellis, one barrel, 1 root fertilizer, 1 box of miracle grow fertilizer, and 1 spray for aphids that is nontoxic, safe around children and pets.
- Cyndie purchased larger window boxes for the stone wall by the Rowe camp entrance.
- Cyndie will purchase mums and pumpkins and gourds as we transition into fall decorations.
- Karen will check with Roberta Baker about possibly shopping at a nursery she has a connection with for some of the annuals needed in the spring.
- Scarecrow contest article will be put in the goalpost by October 1 you can bring your scarecrow to display it.
- Instead of a cairn sculpture the committee is considering a big rock Britt garden white rock or finding a sculpture we could place in the garden like at Jim Carse's former home, the giant metal fish in the yard.
- Britt garden is getting a makeover, Karen will bring lilies and Virginia will donate compost.
- The fountain garden is getting a makeover, irises and lilies are going to be dug up and moved. Annuals will be pulled and new ones will be planted until the mums are ready for planting and then mums will be planted in the fountain for the fall.

Next meeting: September 15, 2025 at 7:00pm at Cyndie's house.
