Board of Health

Welcome to the Town of Rowe! The Board of Health is here to provide direction and answers to our residents in relation to public health and safety. We provide the following services:

- Health care and disease control
- Monitor and provide solid and hazardous waste disposal (pls see attached brochure)
- Enforce and inspect Title V septage and garbage disposal
- Investigate nuisances that may be injurious to health
- Oversight of food permits
- Water testing for human consumption. Provide Water testing Kits to residents
- Enforce Chapter V of the State Sanitary code for pools and Town beach
- Inspect all recreational camps for children and family
- Oversight/regulations regarding pesticides
- Condemn housing and dwelling if deemed unfit for human habitation

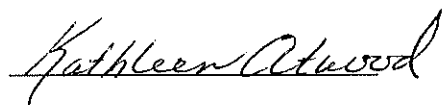

The Board of Health office is open every Tuesday, Wednesday and Thursday from 8:00 a.m. to 1:00 p.m. Our email address is: BOH@Rowe-MA.gov. Please stop in to say hi and introduce yourself and we will assist you in any way we can!
