

Board of Health
Meeting Minutes
December 23, 1986

Present: Ellen Foberg, George Riggan, Timothy Snyder,
Melissa Quinn

The meeting was called to order at 8:34 P.M.

The Chairman reported that the tenants have vacated the Munroe Camp/Schoolhouse on Legate Hill Road. She also stated that in a conversation with Town Counsel, it was suggested that the Board of Health go ahead with normal condemnation procedures. This involves notifying the owner (Carl Munroe) by letter of the violations and giving him a reasonable time in which to make the necessary repairs in order to comply with the code. After some discussion it was agreed to give him a deadline of December 31, 1987. The Chairman will supply a copy of this letter to the Town Counsel

Mr. Riggan reported that he had confirmed with Jeff Frey (Rowe Camp and Conference Center) that if the present infirmary were demolished a successful percolation test would be needed prior to new construction. If a valid test was not possible, a holding tank could be constructed and the effluent pumped to a suitable site.

The meeting adjourned at 9:00 P.M.

Respectfully submitted,
Melissa Quinn, Clerk
