

Board of Health
Meeting Minutes
April 24, 1990

Present: Ellen Foberg, George Riggan, Marion Boggs,
Melissa Quinn

The meeting was called to order at 8:10 P.M.

The Board received the annual school nurse evaluation for
Sharleen Moffatt from School Principal Philip O'Reilly. (see
file)

Mrs. Foberg reported that an inspection of the Rowe School
septic system had been conducted on April 23 by John
Brickett, (Health Agent), William Foster, (Building
Inspector) and herself. Mr. Brickett advised that the
present system probably would not handle an addition to the
school. It may be possible to install a second system if an
addition to the present school becomes necessary. It is
apparent that the Massachusetts Department of Environmental
Protection would ultimately be responsible for approval of
public school septic system construction, and there is still
a great deal of work to be done before any decisions can be
made. Mrs. Foberg felt that any decisions made by the Board
now as to the possibility of additional septic system
construction would be premature.

The meeting adjourned at 8:40 P.M.

Respectfully submitted,
Melissa S. Quinn, Clerk
