

Board of Health  
Meeting Minutes  
September 6, 1994

Present: Ellen L. Foberg, Leonard J. Laffond, James E. O'Brien, Melissa S. Quinn

The Chairman called the meeting to order at 9:00 PM.

Chairman Foberg noted that a percolation test would be conducted on Wednesday, September 7 at 10:00 AM at the Magnago property on Ford Hill Road for a failed septic system.

The Board received two applications and engineers drawings for installation of grease traps at the Rowe Camp & Conference Center farmhouse and recreation hall. John Brickett (Health Agent/Sanitarian) reviewed the applications and drawings and gave his approval. The Board voted unanimously to approve the applications.

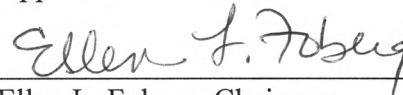

Sample immunization record forms were received from the Department of Public Health to be kept on file.

A letter was received from the Department of Environmental Protection, Division of Water Supply, regarding an upcoming seminar for operators of public water suppliers. The Town Hall water supply is considered to be in the "VSS" (Very Small Systems) category. Chairman Foberg will call Bill Enser of Berkshire Enviro Labs to see if he would consider being designated as our public water supply operator.

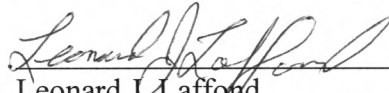

The meeting adjourned at 9:26 PM.

Respectfully submitted,  
Melissa S. Quinn, Administrative Assistant
