Present: Commissioners; Prue Berry, Myra Carlow, Bob Rice; Guest: Ranger Sean Loomis of the Park Commission

Absent: Nancy Brown ~~and Cindy Lafford~~

Meeting called to order: 2:05 P.M.

1. Sean Loomis presented to the Commission a Request for Determination consisting of a plan to remove from an area near Pelham Lake a tree severely damaged by a beaver. The tree, approximately 40' in height and 2' in diameter, threatens to fall from this damage and injure or destroy park property and represents some risk to persons using the area. Mr. Loomis described the steps that would be taken to assure there is no damage to Pelham Lake, its shore and the surrounding area.

The Commission voted unanimously to determine there is no applicability.

2. The Commission re-organized by electing Bob Rice Chair and Myra Carlow Secretary.

3. The Commission reviewed the Forest Cutting Plan for land in Rowe owned by Vivian Weston. There was some concern that the plan was received by the ConCom after the work was done. The Commission asked that DCR be requested to send the Cutting Plans earlier in the process.

The meeting was adjourned at 2:45 pm.
