

MEETING MINUTES - Wed. Aug. 9 - 5pm.

Call to order: 5:07 pm

Discussed concerns regarding emergency plans for working with seniors in town. Met with police chief Julie Shippee to brainstorm ideas on how best to assist distressed and in need citizens during an emergency.

The town hall does have a copper line phone that is in the Town Administrators closet.

Working on a survey to reach out to all citizens that may require assistance or that may be able to give assistance in case of an emergency.

Discussed which buildings to designate as a shelter, school, or town hall as well as fire station.

Discussed developing a green-red card system for all to place in their windows to show whether you are in need or ok. Police would drive by to check. Residents with obstructed street views would be on a check list.

Discussed including the survey in the goal post.

Discussed funds used for additional foot clinics.

Ask the town to fund foot clinics or ask attendees for a donation or fee?
